~Welcome:

The **CSU Youth Dance Conservatory (YDC)** is one of many programs offered under Continuing & Professional Education at The Rankin. The YDC partners with The Columbus Ballet to offer the best classical ballet training and performance opportunities to aspiring dancers in our community. An air of tradition and discipline fills an atmosphere of intense, yet fun learning from our youngest dancers to advanced levels. In addition, YDC offers training in jazz and contemporary. Our advanced students have been accepted to many well-recognized summer intensive programs such as: Atlanta Ballet, Montgomery Ballet, American Ballet Theatre, Boston Ballet, Ballet Magnificat, Central Pennsylvania Youth Ballet, Joffrey Ballet, and Alvin Ailey (NYC), San Francisco Ballet, Next Generation, and many others.

~Mission:

Columbus State University's Youth Dance Conservatory exists to provide a space for classical ballet education in the Columbus, GA area. Using fundamental ballet technique as the core of our training, we strive to create a fun, challenging, and encouraging environment for our students that strengthens the body, sharpens the mind, and creates a lifelong passion for the art of ballet.

~NEW Covid Protocol (as of 5/22/2021):

CSU's Youth Dance Conservatory (YDC) takes everyone's personal health and safety very seriously. This document lists what we are doing to ensure your dancer's safety.

Masks: Per GPHD guidance, CSU's policy is that masks will be worn by all employees interacting with minors and should be worn by all minors under the age of 12 when feasible; masks are most essential at times when physical distancing is difficult. Masks are still recommended in these settings regardless of vaccination status of participants because children under the age of 12 cannot be vaccinated. This policy is subject to change depending on new guidelines from the GA DPH, the CDC, and USG. For current information on COVID-19 protocols and updates, visit <https://www.columbusstate.edu/covid>.

Temperature Check/Hand Sanitizing: YDC will no longer require temperature checks when arriving for class. Hand sanitizer will be available in the lobby area and in each classroom for those in need of it. We ask that if your dancer is not feeling well that they not attend class and schedule a make-up class.

Lobby Areas: We will begin returning some seating to the second-floor lobby area of The Rankin, and you are welcome to wait for your dancer upstairs during their class. Please note there will not be as much seating as before as we still must abide by CSU policy for social distancing. If the lobby area is full, please consider waiting downstairs in the first-floor lobby area.

Class Sizes: We will begin increasing our class size, but will maintaining social distancing guidelines.

Make-Up Classes: Class sizes are still limited, so please schedule all make-up classes in advance. To schedule a make-up, please contact Laura Johnson at johnson_laura3@columbusstate.edu.

Tuition Payments: Payments can now be made at The Rankin. Visit the front desk or call 706-507-8367 during studio hours to make payment. You can also pay by calling Continuing Education at the Elizabeth Bradley Turner Center at 706-507-8070 between the hours of 8am-5pm Monday- Friday.

Tuition Payments: Payments can now again be made at The Rankin. Visit the front desk or call 706-507-8367 during studio hours to make payment. You can also pay by calling Continuing and Professional Education at 706-507-8070 between the hours of 8am-5pm Monday through Friday or email assistance@columbusstate.edu and a registration specialist will get back with you.

Water Fountains: Dancers can use the water fountains to refill their own personal water bottles.

Physical Corrections: Due to the nature of learning dance and our mission to make safety our priority, it is necessary for you to understand our policy on physical corrections. Our teachers will give dancers physical corrections when required. Physical corrections to body alignment and technique are often necessary in order to teach a skill safely, have the dancer perform the skill correctly, and to help mitigate injury. YDC will continue operating in a social and physical distancing environment, but there will be times when the new prescribed distancing recommendation of 3 feet will be breached. Part of attending classes at YDC means that you understand that physical corrections will be part of the learning process and agree to permit your child's teacher to physically assist your child when needed.

~Dance Year & Holidays:

- First semester classes begin August 9, 2021 and run through December 6, 2021.
- Classes will not meet on Labor Day (Sept. 6) or during the week of Thanksgiving (Nov. 22-27).
- Second semester classes begin January 3, 2022 and run through May 2, 2022.
- Classes will not meet on MLK Day (Jan. 17) or during MCSD Spring Break (April 4-9).

~Summer Intensives and Summer Classes:

YDC's Summer Intensives provide the opportunity for tremendous technical, artistic, and personal growth. Working with different instructors in a variety of dance disciplines helps all students maintain muscle memory as well as strengthen and develop more matured muscles. Summer intensive classes for all ages are designed to address technique, artistry, specific skills, and increase strength. Students gain deeper understanding of ballet as an art form. Evaluation of new students is required prior to registration for the summer intensive program. Regular classes are also offered throughout the summer to maintain ballet form and technique.

~Performance Opportunities:

YDC students Level 1 and above have the opportunity to perform in The Columbus Ballet's annual production of *The Nutcracker*. Upper level dancers are encouraged to audition for lead roles. Students selected for leading roles may be asked to attend a few extra rehearsals, on occasion, after class. This extra work will enable a dancer to give his/her best performance onstage and enhance the pedagogical and developmental benefit to the dancer. Such rehearsals will be scheduled in collaboration with the director, dancer and parents, and will never be "assigned" without the consultation of all concerned. YDC dancers Level 1 and above can also participate in The Columbus Ballet's spring production.

YDC will also hold an End of the Year Performance for all levels. All students will have the opportunity to perform with their classmates in pieces choreographed by instructors that demonstrate the classical technique they have learned throughout the year.

~Student Placement:

Students as young as age 3 may participate in YDC classes. Students age 6 and under will be placed in the appropriate class based on age. New students ages 7 and older, with or without experience, will be evaluated and placed in their appropriate levels. Call 706-507-8070 to schedule a placement appointment.

~Promotions:

Promotions can be decided at any time during the year. Students who are in Creative Movement through Pre-Level 1 move on to the next level on a yearly basis. From Levels 1 through 6, the progression and mastery of skills slows down. Not every dancer progresses at the same rate. When the teacher selects a student for promotion, she will bring suggestions to the artistic director. Students will then be re-evaluated by the artistic director and a decision will be made based on maturity and technical ability.

~ Pointe Training:

Students will be evaluated for pointe work training on an individual basis. We look to see if the student has had at least 3-4 consecutive years of classical ballet technique training. We also consider the student's age, physical strength, and capabilities. Once a student is promoted to pointe, the artistic director will guide the student in the right direction with pointe shoe decisions. Students are expected to take more technique classes than pointe classes. Students will be required to register for and maintain regular attendance in at least three technique classes.

~Student End of Year Evaluations:

Parents are requested to be present during end of year evaluations. Decisions for promotion for the next school year are discussed at this time. Evaluation dates will be announced closer to time.

~Parent Observation:

Traditionally, YDC opens its classrooms for parent observation twice a year, once in the Fall and once in the Spring. Due to the current environment with the Covid-19 pandemic, we will announce whether Fall observation will be in-person or will have to once again be virtual via Zoom. We hope by Spring 2022 we can return to in-person class observations.
